

# *Boston Sailing Center*

## SOLING RACING GENERAL INFORMATION

In order to derive the greatest enjoyment and benefit from racing, safety and seamanship must come first. We have therefore established the following guidelines and policies to be followed by all participants in the Boston Sailing Center's Soling Racing program:

1. Boston Harbor is a major commercial traffic area. Please note that all large deep draft commercial vessels have the right of way under all circumstances. The race committee maintains radio contact with the harbor pilots and upon their request or on its own discretion may abandon a race in progress or delay a start for the passage of such vessel. When it is necessary to abandon a race in progress the committee boat will indicate which side of the ship channel you must immediately sail to and await the passage of the vessel. In calm conditions the committee boat may tow you out of the channel. However, it is each team's responsibility to sail safely and prudently at all times.  
  
In addition, the Coast Guard enacts a security zone (2 miles ahead, 1 mile behind, and 500 yards either side) around LNG tankers both inbound and outbound. If you are underway during the transit of a LNG tanker follow the instructions of the race committee or the patrol boats escorting the tanker.
2. Please stay vigilant at all times while racing. In order to avoid collision on a reliable basis you must continuously be alert for other vessels – both racing and non-racing.
3. Inspect your spinnaker before sailing. If you find any damage bring the spinnaker to the office. We will repair it or give you a spare. If a tear occurs during racing, we recommend you immediately douse to prevent the tear from getting larger (and more expensive). Please do not apply tape of any kind. You can then request a spare spinnaker from the Race Committee.
4. Please do not use duct tape or write on the decks. All footwear must be non-marking.
5. All participants must sign a waiver and return it to the BSC office.

# SAILING INSTRUCTIONS 2019 SOLING RACING

## 1 RULES

The regatta will be governed by the rules as defined in *The Racing Rules of Sailing* and the prescriptions of the US Sailing.

## 2 NOTICES TO COMPETITORS

Notices to competitors will be posted on the official notice board located in the BSC office.

## 3 CHANGES TO SAILING INSTRUCTIONS

Any change to the sailing instructions will be posted before 5:00PM on the day it will take effect.

## 4 BOATS AND EQUIPMENT

- 4.1 All collisions must be reported to the BSC office either by filing a protest or filling out a collision report. Describe the incident, identify the other boats involved and list any damage. **The penalty for not complying with this is disqualification from the last race sailed for the day.**
- 4.2 Note all boat maintenance problems in the log in the office. **Damaged sails should be put in the sail repair pile and tagged.** Include the specific location of damage.
- 4.3 If a boat or sail is damaged by user error, the skipper or skippers found to be at fault by the BSC will be responsible for the cost of repairs. Damage caused by guest skippers will be billed to the team's skipper.

## 5 SCHEDULE OF RACES

- 5.1 Weather permitting racing is scheduled the following days: June 3, June 17, July 1, July 15, July 29, August 12, August 26, 2019
- 5.2 The scheduled time of the warning signal for the first race each day is 6:15.

## 6 RACING AREA

Racing will be held in Boston's Inner Harbor.

## 7 THE COURSES

- 7.1 The diagrams below show the courses, including the approximate angles between legs, the order in which marks are to be passed, and the side on which each mark is to be left. A windward offset mark or leeward gate in place of a leeward mark may be added to these courses.

- 7.2 The course to be sailed will be designated by letter(s) on the Committee Boat course board. Marks shall be rounded in order and left to port, except when an offset mark or gate is used as described in 7.3 and 7.4.
- 7.3 An offset mark, if used, will be set approximately 100 feet to the left of the windward mark. If in place, the offset mark shall be left to port after each rounding of the windward mark. There will be no signal from the race committee signifying the addition or deletion of the offset mark. This changes rule 33.

- 7.4 The leeward mark may be replaced by a gate, which shall be rounded as described in rule 28.1(c). There will be no signal from the race committee signifying the addition or deletion of a gate mark. This changes rule 33.
- 7.5 The symbol “II” displayed below the “W” or “MW” course means “sail the course twice around”.
- 7.6 The W(II) course will have the leeward mark (or gate) located approximately 75 yards to windward of the starting/finishing line.

## 8 MARKS

- 8.1 Marks are red or green spheres about three feet in diameter. The intention is to use the green mark as the starting mark.
- 8.2 The offset mark, if used, is a white sphere about three feet in diameter.

## 9 STARTING SEQUENCE

- 9.1 The start sequence will be conducted as indicated below. The race committee may use several short sound signals as notification of an approaching starting sequence, but it is not required.

TIME	VISUAL SIGNAL	SOUND SIGNAL	MEANING
5 MINUTES	CLASS FLAG RAISED	1 SOUND	WARNING SIGNAL
4 MINUTES	P-FLAG/I-FLAG RAISED	1 SOUND	PREPERATORY SIGNAL
1 MINUTE	P-FLAG/I-FLAG LOWERED	1 LONG SOUND	1 MINUTE TO START
START	CLASS FLAG LOWERED	1 SOUND	START

*Note: the beginning of the horn signal marks the exact time.*

9.2 Pennant 1 will be used in place of a class flag. Pennant 1 will be raised five minutes prior to the starting signal, and lowered at the start. This changes rule

9.3 If Rule 30.1 is not in effect, a P Flag will be used as the Preparatory Signal and will be raised four minutes prior to the starting signal and lowered one minute prior to the starting signal.

9.4 If Rule 30.1 is in effect, an I Flag will be used as the Preparatory Signal and will be raised four minutes prior to the starting signal and lowered one minute prior to the starting signal.

9.5 The starting line will be between a blue flag on the committee boat and the port-end starting mark.

## 10 INDIVIDUAL RECALLS

The Race Committee may attempt to hail premature starters by boat name or sail number. Delay, failure to hail or broadcast the individual sail numbers of recalled boats shall not be grounds for redress.

## 11 GENERAL RECALLS

General recalls will be signalled by many short blasts of the horn after the starting signal. After a general recall, the Race Committee may start a new sequence immediately. This changes rule 29.2.

## 12 CHANGE OF THE NEXT LEG OF THE COURSE

- 12.1 The Race Committee may move the position of a mark to maintain the course configuration provided no boats are sailing on that leg. In addition, offset marks and gates can be added or removed, per sections 7.3 and 7.4 above.

- 12.2** To change the next leg of the course, the race committee will move the original mark (or the finishing line) to a new position.

## 13 ABANDONING AFTER THE START

When it is necessary to abandon a race in progress the committee boat will display an "N" flag and sound several short blasts of the horn. This changes race signal N.

## 14 THE FINISH

- 14.1** The finishing line will be between a blue flag on the committee boat and the finishing mark.
- 14.2** If at least  $\frac{3}{4}$  of the fleet has finished, the race committee may score the remaining boats last finisher plus one, to avoid abandoning the race due to ship traffic or lack of wind.

## 15 PENALTY SYSTEM

- 15.1** V1 of Appendix V will apply which changes rule 44.1. (See page 4 for a copy of Appendix V)
- 15.2** V2 of Appendix V will apply which changes rule 44.4 (See page 4 for a copy of Appendix V)

## 16 PROTESTS AND REQUESTS FOR REDRESS

- 16.1** A boat intending to protest need not display a red flag. Protests will be indicated by a hail of "protest" at the time of the alleged infringement. This modifies rule 61.1(a). Note: Only the word "protest" will fulfill the protest requirements. "Do your circles" or other such hails will not.
- 16.2** A boat intending to protest or request redress based on an incident in the racing area that she is involved in or sees shall, at the first reasonable opportunity after she finishes, inform the race committee at the finishing line of her intent to protest or request redress and, when applicable, the identity of the protestee.
- 16.3** Protest forms are available in the BSC office. Protests and requests for redress or reopening shall be delivered there within the appropriate time limit.
- 16.4** The protest time limit is 15 minutes after the all the teams have been dropped off by the launch.
- 16.5** Notices will be posted no later than 15 minutes after the protest time limit to inform competitors of hearings in which they are parties or named as witnesses. Hearings will be held at the side desk in the BSC office. Notices of protests by the race committee or protest committee will be posted to inform boats under rule 61.1(b).
- 16.6** Rule 63.5 is changed by adding, "A protest involving contact may be heard by the Protest Committee even though the requirements of rule 61.1(a) and 61.3 have not been fulfilled."

## 17 SCORING

- 17.1** The "Low-Point Scoring System" of Appendix A of the racing rules will apply for each of the series.
- 17.2** The "Low-Point Scoring System" is modified such that a first place finish will receive .75 point
- 17.3** Each boat's total score will be the sum of her scores for all races, excluding her worst races (20% of the races sailed per series rounded to a whole number).

## 18 SAFETY REGULATIONS

The Race Committee may disqualify a boat without a hearing for crossing closely ahead of a deep draft vessel, or failing to keep adequately clear of a commercial vessel.

## 19 SAIL RESTRICTIONS

If race committee flies the "NS" flag, spinnakers may not be used.

## 20 PRIZES

Prizes will be awarded for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place in the series.

# APPENDIX V – ALTERNATIVE PENALTIES

This appendix is a US Sailing prescription.

Rules V1 and V2 provide alternative penalties that encourage competitors to take a penalty when they may have broken one or more rules of Part 2 or rule 31 in an incident. One or both of these rules apply only if the sailing instructions so state. Please report your experiences with and evaluations of these rules to US Sailing by sending an email to [rules@ussailing.org](mailto:rules@ussailing.org).

## V1 PENALTY AT THE TIME OF AN INCIDENT

The first two sentences of rule 44.1 are changed to: 'A boat may take a One-Turn Penalty when she may have broken one or more rules of Part 2 or rule 31 in an incident while racing. However, when she may have broken one or more rules of Part 2 while in the zone around a mark other than a starting mark, her penalty shall be a Two-Turns Penalty.'

## V2 PENALTY TAKEN AFTER A RACE

After a race, a boat that may have broken one or more rules of Part 2 or rule 31 in an incident while racing may take a Post-Race Penalty for that incident. A boat takes the penalty by delivering a written notice to the race office that identifies the race number and when and where the incident occurred. The penalty shall be a 30% Scoring Penalty, calculated as stated in rule 44.3(c). However, rules 44.1(a) and (b) apply, and the penalty shall not be taken after a protest hearing involving the incident has begun.
